Old Business: Discussed status of Go Green. So far only 10 forms returned (including board members). Pick up is scheduled for 11/20/2008 for anyone who puts them in their newspaper bin. Holiday potluck is booked for 12/13/08 at Frank Liske Park from 2:00pm – 5:00pm. Holiday decorating contest is scheduled for judging on 12/21/08 from 6:30pm - 8:00pm.

New Business:

- ❖ We discussed the details of the potluck. Decided to go with a Christmas theme and look for someone to possibly dress up as Santa. There are electrical outlets in the barn, so a small microwave and crock pots can be brought and plugged in. Also, the barn is heated, so weather will not be a factor in the day's events. We also discussed possibility of having a talent show at the potluck.
 - Tommy will bring a radio for light holiday music
 - Tamara will take free holiday photos in digital format
 - Edith, Dee and Jill will bring music
 - Signup sheet to be updated on website by Kevin as people email in what they will be bringing
- ❖ To get more forms completed for Go Green, we will walk on 11/22/08 to ask anyone who hasn't already completed one if they are interested. We will also ask for people to sign up for community watch and the potluck at this time.
- ❖ Ayanna and Tommy are going to ask the grocery stores for paper bags so that we can organize a canned food drive. Canned food donations to go to Angel Food Ministries, Cooperative Christian Ministry, or Operation Bread Basket. Bags will be delivered and collected the first week in December.
- ❖ Discussed organizing a caravan to McAdenville to look at Christmas Town the week of Christmas break. All kids would need to be driven by parent or someone trusted by parent. Too much liability for the board to transport them.
- ❖ Tamara to contact Frye's and neighboring HOA's to see if about organizing a neighborhood skate night.

- ❖ Tamara to continue to work on getting information about fire safety and a possible visit from the firehouse this spring.
- ❖ Future events to consider: Parade of Bikes, Parade of Dogs, Frye's Bowling League
- ❖ Tamara to get quote from Tom on Bulletin Board for the park.
- ❖ It was decided Block Captains are needed to help spread information about social functions. Block Captains assigned and some still needed. Block Captains are:
 - Edith LeGrande: Winborne Ave.
 - Darci Gervaise: Section of Kellybrook from entrance to second common area
 - Jill Bodenheimer: Section of Kellybrook from where the two Kellybrooks meet to Norfleet St.
 - Tommy Conquy and Dee Wangerien: Littleton Dr.
 - Tamara Gaspar and Eugene Brown: Chastain Ave.
